Tadika Seri Soka
Commemorative Gathering For The 6th Opening Anniversary

My deepest congratulations to all of you, the princes and princesses of the 21st century, on the occasion of the 6th anniversary of your kindergarten. The high-spirited figure of everyone of you seems to appear right before my eyes.

In December last year, I was able to realise my desire to visit your kindergarten for the first time. I cannot forget the wonderful white kindergarten building and your beautiful sparkling jewel-like eyes that I saw at that time. From the bottom of my heart, I felt great joy and my trust in your promising future.

Please play a lot, study a lot and create lots of memories in this Soka Kindergarten of Malaysia.

Here, let us make a promise together. That is, to “treasure our friends”! From now on, I believe you will be making a lot of friends. If these friends are in difficulty or if they feel sad, please support and help them. Please get along well with one another and join hands to create a joyful kindergarten for all.

All of you are very important treasures of the future. Please grow up to be gentle-hearted and warm-hearted people. I am always praying that all of you will grow to become “strong, righteous, lively”, and that all of your dreams will definitely come true.

Please treasure and take good care of your father and mother. I am earnestly looking forward to meeting all of you in high spirits again. Till then, please stay in good health!
